Quin Rivers relies on kindness and support from the community to ensure that we are meeting the needs of our clients. Please contact Gillian Barney at (804)966-8720 if you are interested in making an in-kind donation or to arrange for delivery of your donation.

We greatly appreciate donations of items such as food, essential household items, and personal care products. Next time you are out shopping for items for your own home, we would be grateful if you picked up a few things for us too! You can also host a donation drive and collect wish list items at your office, church, school or with a community group.
